

## MATT NORMAN - DOP

**M:** +44 (0)7976 247 652 **E:** matt@onehorsetown.co.uk **Website:** <http://mattnormandop.com>

Matt is a twice-EMMY & twice-BAFTA winning DOP.

He shoots across documentary film, commercials and drama. He has worked with a diverse range of internationally-acclaimed filmmakers including Ken Loach, Michael Winterbottom and Marc Evans on both cinema and television productions. Matt's enduring passions are documentary and drama, and the spaces between the two.

Matt began his career as a camera assistant and focus puller on feature films, television dramas and commercials, where the discipline required continues to serve him well in the digital era. Since those days, Matt has shot over 150 documentary films, in all terrains and climates, from the jungles of the Congo to the high Arctic.

Most recently, Matt was the first documentary cameraman to ever be granted access onboard a Trident nuclear submarine on an active mission for a new Atlab Films 1 x 60 documentary for Channel 5. He was DOP on the theatrical fiction feature film "Common Destiny" for China-based Silk Road Communications, filming on both the Arri Alexa Mini & Phantom Flex 4K. Matt also served as creative & technical advisor throughout the production.

Other accolades include 25 Grand Jury prizes for his producer work on the HBO-BBC Storyville-ARTE feature documentary "Marathon Boy". Matt also received the honour of being inducted into the Asia Pacific Screen Academy.

## TECHNICAL EXPERTISE

### DRONE

Matt is fully certified by the CAA and insured as a UAV owner-operator. He flies his own UAV with public liability cover for 5 million. Recent clients include Discovery Channel (Mongolia, Abu Dhabi, Arctic) & BBC NHU (French Polynesia & Indonesia).
